April 2013

- soak proof * microwave and freezer safe, can be used for both hot and cold items have no plastic or wax lining
- handle hot liquids up to 104 Degrees Celsius or 220 Fahrenheit (some moisture forms at the bottom for hot food items)
- fully compostable, sturdy and strong

These compostable five compartment school trays are a great replacement for styrofoam school trays, used widely in schools. They are Gluten-Free. They are made from the wheat stalks and not from the food grain which stores the proteins and allergens
